Do6 / TRAVEL RECORD

Accommodation and Movement Log

Exit and movement entries | Provenance: unverified internal log

The log contains restricted-exit language but does not identify who authored each entry.

Date	Entry
24 January 2025	Resident movement requires supervisor approval until permit processing is complete.
26 January 2025	Exit request recorded as denied pending debt review.
20 March 2025	Resident absent after external inspection; destination unknown.

Unverified authorship	The record may support questions about movement restrictions. It does not prove the identity, authority, or accuracy of its author.
