Transaction annotations | Provenance: fictional financial statement

Annotations connect transaction references to other packet records without deciding why the transactions occurred.

Cross-source references

- HB-228 corresponds to the wage-transfer entry in Do7.
- MR-228 is labelled debt recovery but no signed authorization is supplied.
- TR-0314 appears in the task log and supervisor messages dated 14 March 2025.

Unresolved question	What source, if any, establishes who initiated TR-0314 and whether Nila had a genuine choice?
