Supervisor Message Export

Work instructions | Provenance: sender identity unverified

Messages attributed to supervisor Daro Venn describe changed duties and restricted movement.

25 January 2025 05:45 Daro Venn	
You are required to use the verification scripts assigned in TASK-101.	
25 January 2025 06:02 Nila Verin	
This is not the customer-support role in my contract.	
25 January 2025 06:08 Daro Venn	
You are not allowed to leave Cedar House or the worksite without approval while the debt remains.	
Provenance	The export attributes messages to accounts. It does not independently verify account ownership.

Supervisor Message Export

Transfer instruction | Provenance: sender identity unverified

Messages on 14 March 2025 refer to task TASK-214 and bank reference TR-0314.

14 March 2025 11:20 | Daro Venn

Complete transfer TR-0314 now. You are required to use the account already open.

14 March 2025 11:24 | Nila Verin

I do not want to make this transfer.

14 March 2025 11:27 | Daro Venn

Refusal adds another penalty. Your passport and phone remain withheld until the debt is cleared.

14 March 2025 11:35 | Daro Venn

Send the confirmation before the end of the shift.

Review question

What relationship, if any, does the source describe between the transfer and the stated pressure?

Supervisor Message Export

Threat and retaliation language | Provenance: sender identity unverified

Later messages contain safety-relevant language attributed to the supervisor.

18 March 2025 21:05 | Nila Verin

I am asking again to leave and have my documents returned.

18 March 2025 21:11 | Daro Venn

If you contact police, there will be retaliation against you and problems for your family.

19 March 2025 04:20 | Daro Venn

Report to the worksite. Wages are withheld until the quota and debt are cleared.

Safety boundary

Threat-like text requires prompt human review. It does not establish who sent it, whether it was acted upon, or the current level of danger.
