Interpretation Request Response

Generic filename source | Provenance: unverified administrative response

The content resembles an administrative response to an interpretation request.

Request reference	Hearing	Requested support	Response
INT-J2-041	2 April 2025	Interpreter	Request received; provider and language not confirmed

Response text

No interpreter has been assigned. Spoken-language preference remains blank. Confirmation date is unknown. Contact the authorized practitioner before relying on this request.

Gap preserved	A request is not a confirmed service. The packet contains no evidence that interpretation support will be available at the hearing.
