

D15 / OTHER

Property Custody Record

Generic filename source | Provenance: unsigned and unverified

The filename does not identify this record. Its visible contents resemble an unsigned property-custody form.

Property	Identifier	Received	Recorded disposition
Passport	Passport number XN0007421	23 January 2025	Returned 26 January 2025
Mobile phone	Device DEV-441	23 January 2025	No disposition recorded

Material conflict	The form states that the passport was returned, while D12 records Nila's later report that it was never returned. This form has no resident signature, author name, or verification mark.
